Contour LED

High Output 9W RGB LED Downlight
colour change

- Plug and Play fittings, install easily.
- Works with the Wise Chameleon RGB Controller.
- Works with DMX Controllers.
- Produces hundreds of colours.

Contour Downlights

The Contour Round RGB is a high output Edison LED downlight that provides a strong vibrant light. It is ideal for location in bars, clubs, kitchens and living rooms as either the primary or secondary source of light or achieve different mood settings. It can be tilted by 20 degrees to adjust the light direction. Ideal as a replacement for standard halogen lamp downlights which generally consume more power and produce more heat. The lumen output is 300 lumens.

Product Codes

Aluminium Round - LEDSY3WX3R RGB
Aluminium Square - LEDSY3WX3S RGB
White Round - LEDSY3WX3R W RGB
White Square - LEDSY3WX3S W RGB

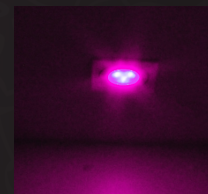

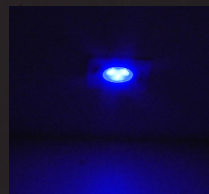

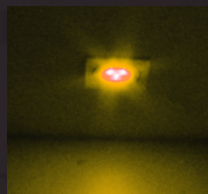

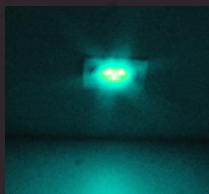

Round Contour

Output Wattage 3 x 3W
Ceiling Cut Out 90mm
Ceiling Depth 35mm
Diameter 112mm
Fitting Cable Length 2m + 2m
incl. transformer
Vertical Tilt 20°
Beam Angle 45°
Voltage 230V
IP Rating IP54

Square Contour

Output Wattage 3 x 3W
Ceiling Cut Out 90mm
Ceiling Depth 35mm
Length 112mm
Width 112mm
Fitting Cable Length 2m + 2m
incl. transformer
Vertical Tilt 20°
Beam Angle 45°
Voltage 230V
IP Rating IP54

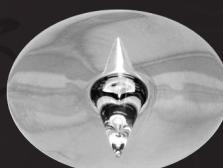

Pinocchio RGB

The Pinocchio RGB is a high power Edison LED downlight that provides a decorative starry light ideal for location in bars, clubs, shops, as a feature in the home or achieve different mood settings. Ideal as a replacement for standard halogen lamp downlights which generally consume more power and produce more heat. The lumen output is 100 lumens.

The fitting is constructed from aluminium and acrylic and incorporates one 3W Edison LED. The face has a polished chrome finish. A metal heatsink is located on the back of the downlight to disperse any heat produced by the LED.

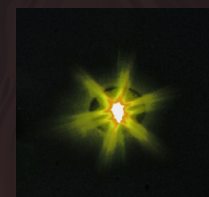

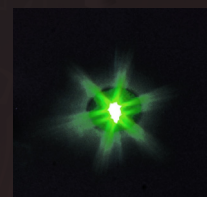

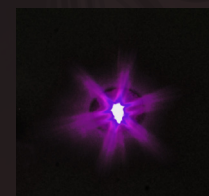

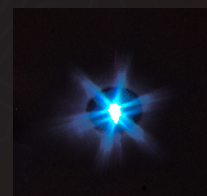

Product Code

Aluminium - LEDDS3WA RGB

Pinocchio RGB

Output Wattage 3W
Ceiling Cut out 47mm
Ceiling Depth 27mm
Diameter 65mm
Fitting Cable Length 2 x 1m
Amperage 350mA
IP Rating IP54

Mini Decor

The Mini Decor RGB is a high power Edison-* LED downlight that provides a strong vibrant light. It is ideal for location in highlighting scenarios and additional lighting in bars, clubs, kitchens and living rooms.

The fitting is constructed from aluminium and acrylic and incorporates three 3W Cree LED's. It has an opal diffuser which changes colour as the Chameleon cycle is taking place. It is also bright enough, however, to spread light across a room and give a noticeable colour changing effect. A metal spreader is located on the back of the downlight to disperse any heat produced by the LED's.

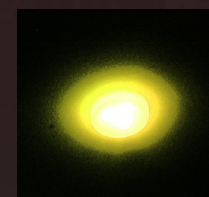

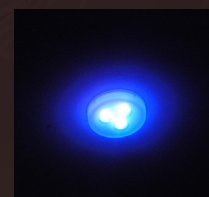

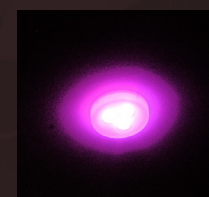

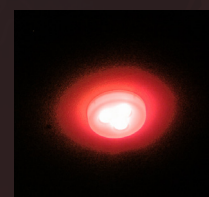

Product Codes

Opal - DA3WX3 RGB LED

Mini Decor

Maximum Wattage 3 x 3W
Ceiling Cut Out 62mm
Ceiling Depth 75mm
Fitting Diameter 85mm
Amperage 350mA
IP Rating IP54

Controllers

WISERGB 350MA M - Wise Chameleon Master 350mA 21W
WISERGB 350MA S - Wise Chameleon Slave 350mA 21W
WISEDSW7 WHITE - Wise Style Switch 7 Channel White
WISEPOD7 WHT - WisePod Remote 7 Channel White
DMX512 350mA - DMX CONTROL 36W MAX

Accessories
