

FL17 Specification Sheet

Switching time:	Non-shorting
Rating:	AC250V 5A
Insulation resistance:	More than 100M Ω DC500V
Withstand voltage:	AC1,000V for 1 minute
Contact resistance:	Less than 50m Ω
Life cycle (no load):	1,000,000 cycles
Life cycle (full load):	20,000 cycles
Ambient temper used:	-25°C ~ +80°C
Ambient humidity used:	Less than 85% RH
Operating force:	On request
