HALIDE

# trimless • downlights

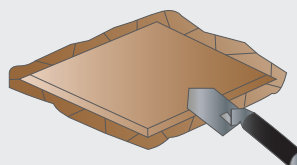

The New Trimless downlight is a fully adjustable downlight that is available in round or square, black or white. Using the different lampholders available you can select different light sources; Halogen, LED and Metal Halide. It is designed to be plastered into ceilings to give a **seamless** appearance. One of the advantages is that the downlight can be installed then plastered and painted.

## Installation

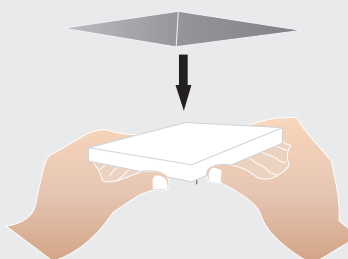

(A) Cut Hole

(D) Plaster Over

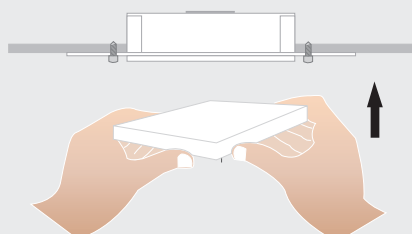

(E) Paint Decorate and Remove Protector

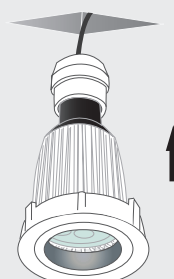

(B) Screw in Frame

(C) Place Protector

(F) Fix Lamp Holder, Lamp and Bezel
